**Lesson:** Story from Genesis 4.

Once upon a time there was a girl called Eve. She lived in a beautiful garden with beautiful fruit and always had more than enough. She spent time with God because He came to visit her and her husband Adam every day. Adam and Eve were in charge of the garden. God made them rule everything in it. Isn't that awesome? Every day God came to visit them. One day the devil came to Eve as a snake. He told her a lot of lies about God. He was very jealous of God. Do you know what Eve did? She believed the snake instead of God and she ate from the only fruit God told her not to eat from. Pretty silly if there were many other fruit she could choose from...

So, God had to let them leave the garden and they lost all the fruit that were available anytime. They were no longer the rulers of the garden. Because Eve chose to listen to the devil, they lost everything. Every person who was born after that was under the control of the devil.

But God made a plan to get us back and to give us everything that we had lost. He sent Jesus to die for us and allowed his blood to be poured for us.

Read Matthew 27:28-29

*<sup>28</sup> They stripped him and put a scarlet robe on him. <sup>29</sup> They wove thorn branches into a crown and put it on his head, and they placed a reed stick in his right hand as a scepter. Then they knelt before him in mockery and taunted, "Hail! King of the Jews!"*

The blood that came from Jesus' head because of the crown of thorns helps us to be obedient to God and to beat the devil when he tries to make us disobey God. The blood that came from the head of Jesus because of the crown of thorns also helps us to live like princes and princesses again, ruling just like Adam and Eve back in the garden.

As a prince and princess to God, we are part of his army. In this army we have uniform or armour. Watch this so you can learn to rule like God said.

Pray after me: "Father God, thank you for sending Jesus to die on the cross. Please forgive me where I have allowed myself to be defeated. Thank you for the blood of Jesus that came from the crown of thorns. The blood of Jesus helps me to win and live as you have wanted me to live, as a prince/princess. In Jesus name, Amen"
